

Welcome to Mercy!

As one of the first people to welcome patients and visitors to the Springfield campus, I'd also like to be one of the first people to welcome you to the Mercy family.

Many years ago when I was singing for a living, a lady told me something I will never forget. "The good you do will always come back to you, and it doesn't cost you a thing."

Good customer service is part of who we are at Mercy. It is one of the reasons I work here. And one of the reasons you are going to love it.
