

# Welcome to Mercy!

As a Sister of Mercy it is with much joy that I welcome all of you to Mercy!

I was educated by the Sisters of Mercy in Little Rock, Ark. and was very touched by their compassion and concern for each student. Before long, I knew that God was inviting me to dedicate my life to service of others through the Sisters of Mercy.

What a privilege it is to share God's mercy and love through extending compassion and warm hospitality to all people, just as Catherine McAuley and the Sisters of Mercy have done for years.

The Sisters and all of the Mercy co-workers extend our warmest hospitality to you as you join us in responding to the health care needs of our communities.
