Thank you for your support of Mercy Health Foundation's 34th annual golf tournament presented by Mercy Hospital Jefferson Medical Staff to benefit patients with cancer at Mercy Cancer Center Jefferson.

What a great event we had on October 10, and it was all thanks to you. We hope you had a good time and enjoyed golfing, the food, and conversation. We exceeded our goal by raising \$50,704, \$5,000 more than last year's golf tournament. With the money raised, patients receiving treatment at Mercy Cancer Center Jefferson will receive the support they need.

A special shout out to our golf chair, committee & volunteers

We want to send a special thank you to our Chair of the Golf Tournament, Dr. Ben Albano and our Golf Planning Committee, Sara Govero, Ryan Johnston, Lawrence Krodinger, Donna Masters and Bill Seek. Their time, talent and expertise helped ensure we had a successful event. They are making a big difference at Mercy Hospital Jefferson.

Left to Right: Virginia Verzola, Dr. Pepe Verzola, Dr. Ben Albano

Furthermore, we want to thank our dedicated volunteers who took time away from work to help on the day of the tournament.

The impact of your support

The money raised from last year's golf tournament helped more than 150 patients with cancer receive nutritional supplement drinks and nutritional support to keep their bodies healthy. Eighty-three women received screenings, diagnostic mammograms, breast ultrasounds, biopsies, and MRIs. Thirty patients received medications or treatment assistance that they would not have otherwise been able to afford. In addition to these services, Chemo Care Packages are given to all patients with cancer and an annual cancer survivor luncheon was held in October. You also helped fund monthly cancer support groups.

Congratulations to our golf tournament winners
