

## Mercy Co-Worker Covered Drug List (Formulary)

This Formulary is effective December 2021. The information provided in this document is subject to change and is updated periodically. For questions about the pharmacy plan benefits or your ID card, contact the **Benefit Support Center** at **888-599-3737** or [benefitsupport@mercy.net](mailto:benefitsupport@mercy.net).

The Mercy Co-worker Pharmacy Drug Benefit does not cover drugs referred to as "Benefit Exclusions." Medications in the following drug classes are "Benefit Exclusions":

- **Anabolic Steroids**
- **Antiobesity drugs/anorexiant**
- **Contraceptives**
- **Dietary Supplements**
- **Drugs for Cosmetic Use**
  - Anti-wrinkle agents/Botox Cosmetic
  - Hair growth or removal products
  - Pigmenting/depigmenting agents
- **Impotence/ED Drugs**
- **Infertility Drugs, Injectable**
- **Over-the-Counter Drugs**
- **Pre-exposure Prophylaxis**

The Mercy Co-worker Pharmacy Drug Benefit also does not cover new drugs until they have been widely available for at least six months. After six months, new drugs are reviewed by Mercy's Ambulatory Pharmacy Committee for formulary placement.

**Drugs that are available generically are highlighted in bold font on this drug list.** For drugs with generics available, the brand name is listed for *reference purposes ONLY*. The copay amount of brand name drugs covered by the Mercy Co-worker Pharmacy Drug Benefit will change once a generic of that drug becomes available. If a brand name drug is purchased once a generic becomes available, the member will be responsible for the generic copay PLUS the difference between the cost of the brand name drug and the generic. Because of market fluctuations, it is not possible to notify co-workers ahead of time that a generic will be launched on a specific date.

This Formulary listing is NOT all-inclusive. In some categories, only the most commonly prescribed drugs are included. Non-formulary drugs are not listed.

Current copay tiers at Preferred Pharmacies:

- Tier 1 = \$11.00 copay per 30-day supply
- Tier 2 = 25% Co-insurance, \$30 min, \$60 max per 30-day supply
- Tier 3 = Specialty Copay \$125 per 30-day supply

Key to Requirements/Limits Abbreviations:

- PA = Prior Authorization
- ST = Step Therapy
- QL = Quantity Limit
- AGE = Age Restrictions
