# Mercy Ardmore, Community Benefit Report

## Mercy Hospital Ardmore Walks to End Alzheimer's

Mercy Hospital Ardmore participated in the first ever Walk to End Alzheimer's. The team was filled with co-workers from all over the hospital, led by our Senior Behavioral Health unit. They took the lead by recruiting the walkers and raising money on behalf of the Alzheimer's Association.

We raised over \$43,000 and had over 200 participants in the walk.

If you would like to know more about our Senior Behavioral Health Unit please contact: Taffy Hembree, 580-220-6060.
