# Mercy Fort Smith Community Benefit Report

Inspiring an Active Healthy Community

Total Community Benefit  
**\$226,490**

More than 900 runners from all across the country braved below freezing weather for the Fourth Annual Fort Smith Marathon. The theme of the marathon, "This One's Got Grit," was more than fitting due to the challenging course.

Mercy Fort Smith has been the presenting medical sponsor since the inaugural run in 2015. The marathon promotes the beauty of our city and to further promote awareness and consideration of healthy activities.

The marathon, half-marathon and relay races have consistently grown in size and community participation. To ensure the safety of the runners, the marathon depends on over 400 community volunteers, 24 watering stations and 4 aide stations along the course. It offers an excellent opportunity to build and maintain a collaborative relationship with Park Partners, Sebastian County

Sheriff's Dept., Fort Smith Police Dept., Fort Smith Schools and Fort Smith EMS.

It is the goal of Mercy Fort Smith to continue to collaborate with a wide number of community volunteers, sponsors, churches and local leaders to support the marathon. The proceeds from the marathon assist with the continued growth and development of the trail system in Fort Smith.
