

Newborn Weigh-in Wednesdays

Get your baby weighed & your questions answered.

Mercy Hospital Northwest Arkansas

Wednesdays, 12-1 p.m.

Cost: Free

Location: Take elevator B to the 5th floor, behind the gift shop; the group meets near the elevators.

No registration necessary

Bring your baby and join us for Newborn Weigh-in Wednesdays.

At this informal gathering, you can check your newborn's weight and chat with other moms about breastfeeding experiences. A certified lactation specialist is available to answer your questions and boost your breastfeeding confidence.

Breastfeeding Benefits

For babies:

- Fewer ear infections and other illnesses
- Lower risk of Sudden Infant Death Syndrome (SIDS)
- Added protection against diabetes and obesity

For moms:

- Faster recovery from childbirth
- Stronger bones
- Reduced risk of breast and ovarian cancers

Mercy Kids

Every child. Every need. Every day.
