****Must be accepted into an accredited nursing program to be eligible.****

Applications are accepted year round and will be reviewed semi-annually (April 1 and October 1). A limited number of scholarships will be awarded. Selections will be based upon Mercy's projected needs. All applicants will be notified of their status after review. If nursing scholarship money from Mercy is to be matched by the Physician Manpower Training Commission (PMTTC), the money from Mercy will be given to the PMTTC and distributed by PMTTC on a schedule agreed upon by the scholarship recipient. Payment of monies is specific and defined in the scholarship agreement. A 2.5 GPA must be maintained. Grades and specific documents must be received and verified by recruiter before checks will be issued. The student must be employed at Mercy upon graduation. If the student fails to: complete the program, meet job requirements and standards, is non-compliant with policies or obtain licensure / certified/ registry; repayment of the scholarship money is required as defined in the terms of the agreement.
