 Prevention, treatment, and recovery support services for behavioral health are important parts of the health service

www.mercy.net/mnm

systems for the community. The services work to improve our health and minimize costs to individuals, families, businesses, and governments.

Recovery Houses**Center For women in Transition**

314-771-5207
<http://www.cwitstl.org/>
 The Center works to reduce recidivism and strengthen our community by providing comprehensive wrap-around services for women reentering the St. Louis community from jail/prison.
 Provides: transitional housing, mentoring partnerships, basic necessities, case management, and more to women exiting prison or jail.

Haven Recovery Homes

314-930-9384
<http://www.havenrecoveryhomes.com/>
 Haven is a safe, affordable sober community for women wanting to pursue recovery in a supportive living environment with no minimum or maximum stay and no minimum length of sobriety.

Hilljack House

314-243-3192
<http://www.hilljackhouse.org/index.html>
 A safe and supportive environment in which people recovering from drug and/or alcohol addiction can learn to live responsibly through sponsorship and the principles of recovery. A resident at each house is responsible for collecting the rent and making deposits.
 Two houses are available for men and two for women to reside in for up to two years.

Oxford Houses

The Oxford House program provides safe substance-free living for people recovering from alcoholism and/or other drug dependence. Children are allowed to live with their parents in recovery. Rent varies by house and is paid on weekly, biweekly or monthly basis
