- Understand the acute care of burn wounds in children.
- Establish a set of criteria for transfer.
- How to properly prepare a patient for transfer.

Continuing Medical Education

Mercy Springfield is accredited by the Missouri State Medical Association to provide AMA PRA Category 1 Credits™ to physicians. Mercy Hospital Springfield designates this live CME activity for a maximum of 6.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

All faculty, planners, content reviewers, and staff associated with this activity have disclosed that within the preceding 12 months neither they nor their spouses/partners currently have or have had any relevant financial relationship with commercial entities producing health care goods or services.

This activity is funded by Mercy Health System with no commercial support.

Pediatric Farm Injuries

*Presented by:
Kimberly Molik, MD*

Learning Objectives:

- Gain Knowledge on the Dangers of Agriculture
- Gain Knowledge on How to Make the Agriculture Environment Safer for Kids

Today's agenda and presentations we have been given permission to share will be available for download at www.Mercy.net/Springfield-Talent-Development next week.

TRAUMA INFORMED APPROACHES TO SCREENING AND SERVING TRAFFICKING SURVIVORS

Presented by:

Melanie Puerto, MS

Learning Objectives:

- Define labor and sex trafficking of adults and youth and the role of social service, healthcare, and public health professionals in responding to human rights abuse.
- Identify indicators for trafficking among patients, including risk factors, signs, and symptoms.
- Describe three specific approaches that we as professionals can take to respond to potentially trafficked patients and to develop effective, collaborative prevention and community response strategies to labor and sex trafficking of adults and youth.

Mercy CME & CNE Certificates will be available on Mercy Co-Worker's MyEducation transcripts two weeks after the activity.

Non-Mercy participants will have certificates emailed to the email address provided when you registered.

Continuing Nursing Education

Successful Completion
