Physician and Hospital Services Agreement

- Annual Consent for Services:** I agree to the services that may be performed by a Mercy physician or non-physician provider (“provider”) or facility. I understand I can withdraw this agreement at any time. This agreement applies to any provider services I may obtain from Mercy providers at a clinic or physician’s office and also to any hospital services I may obtain at a Mercy hospital or from a hospital-based clinic location. I understand that except in an emergency, no major procedure or treatment will be performed without providing me an opportunity to give informed consent, meaning the provider will first provide me with information including the nature of the procedure or treatment, risks, benefits, and alternatives.
- Telehealth Services:** I give my permission for consult-based services that may be provided to me from another location by live video technology (“telehealth”). I understand that I can withdraw this permission at any time by telling my provider when telehealth services are recommended to me and that if I choose to withdraw this permission, there may be certain services that I am not able to receive at a Mercy facility. I also understand and agree that: (i) I may refuse telehealth services at any time without affecting my right to future care or treatment and without risking any third party payor benefits to which I am entitled; (ii) I will be informed of the alternatives, if any, to the telehealth services that are available to me; (iii) I will have the right to access the medical record of the telehealth services as provided by law; (iv) I give my permission for the sharing, storage, and retention of identifiable images or other information from the telehealth service, with the understanding that like in-person care, any identifiable images or other information will not be shared except as required or permitted by law; (v) I have the right to know who will be present during the telehealth services and may exclude anyone from either location; and (vi) there will be no videotaping or recording of telehealth services.
- Financial Agreement:** I guarantee and agree to pay for all goods and services provided to me or the patient named below at the rates listed in Mercy’s Charge Description Master as of the date of treatment, or a different amount as may be determined under my (or the patient’s) insurance plan(s) or my (or the patient’s) status as a Medicare or Medicaid beneficiary. Should an account be referred to an attorney or collection agency for collection, I will pay attorney’s fees and collection expenses. Mercy will provide a medical screening exam to anyone in need of emergency medical treatment, regardless of ability to pay.
- Assignment of Insurance Benefits:** I assign to Mercy, my physician or other non-Mercy health care professionals involved in my (or the patient’s) care my (or the patient’s) rights under all insurance and benefit plan documents, and authorize direct payment to each health care provider of all insurance and plan benefits payments for services provided to me (or the patient) by these providers. By paying my providers directly, my insurance company or employer is fulfilling its obligations to me (or the patient) under the insurance policy, or the employer is fulfilling its obligations as required by law. I also agree that I (or the patient) am financially responsible for charges not paid according to this assignment.
- Medicare Assignment:** I certify that the information given by me in applying for payment from any third party payor, including payment under Title XVIII of the Social Security Act, is correct. I request that payment of authorized benefits be made in my (or the patient’s) behalf, and I authorize the Social Security Administration Office of the Department of Health and Human Services to release information regarding my (or the patient’s) eligibility for coverage under Medicare Part A and Part B, including but not limited to the effective date of such coverage. I also authorize Mercy to release to the Social Security Administration or its intermediaries or carriers any information needed for this or a related Medicare claim.
