Book of Wishes

Mercy Health Foundation

You can make a difference in the lives of thousands of patients through our Wish Book program. These health-related needs, comprised from departments throughout Mercy's Hospitals, will greatly support patient healing and enhance the quality of care in each of the Oklahoma communities we serve.

Mercy remains true to the mission of our founders, the Sisters of Mercy, whose legacy continues to relieve suffering and help all people enjoy healthy, productive lives. We invite you to review this Wish Book for gift opportunities in [Ada](#), [Ardmore](#), [El Reno](#), [Healdton](#), [Kingfisher](#), [Logan County](#), [Oklahoma City](#), [Tishomingo](#) and [Watonga](#).

Thank you for helping make these wishes come true and supporting our mission!

Please don't hesitate to contact Mercy Health Foundation at [405-486-8775](tel:405-486-8775) with questions about our Wish Book program or to find other ways to support Mercy's important work.

Mercy Hospital Oklahoma City

Located in northwest Oklahoma City, 380-bed Mercy Hospital Oklahoma City is a leader in breast imaging and research, robotic surgery and in the treatment of cancer and stroke. It's also home to a Level-III neonatal intensive care unit (NICU), which provides lifesaving care for critically ill newborns.

Granting one or more of these wishes helps support patients and enhances the delivery of quality care. A gift of any amount will make a difference in the lives of patients and their families in Oklahoma City.

Charity Care

Tub Transfer Bench or Shower Chair

For many patients, leaving the hospital can be the beginning of a long recovery. Bathing chairs help provide hygiene assistance during recovery.

\$60 each, an ongoing need

Car Seats

Mercy prohibits an infant from leaving the hospital without a proper car seat. Your support provides a safe car seat to families who cannot afford one.

\$65 each, an ongoing need

Nebulizer and Kit

Patients with respiratory illnesses must maintain their breathing treatments when they leave the hospital. Your generosity provides a nebulizer kit for those who cannot afford one.

\$150 each, an ongoing need

Access to Care

For many low-income individuals, the barriers to care can be overwhelming. Your gift helps ease financial burdens by providing access to transportation, meal cards, utility and rental assistance when needed.

\$500 provides ongoing support

Blood Glucose Monitors and Testing Strips

Given to patients in need, these monitors help diabetic patients avoid costly emergency room visits and hospitalizations.

\$500, provides ongoing support

Pediatrics and Neonatal Intensive Care Unit (NICU)

TVs with DVD Players

Watching a favorite movie can help our pediatric patients and their families relax during hospital stays. Your generosity will do just that.

\$700, 12 needed

Waterless Milk Warmers

For feeding premature infants, these warmers are especially designed to safely, conveniently and effectively warm milk to a temperature consistent with expressed human milk.

\$860 each, 29 needed

Infant Bed Scales

These scales will allow babies in the NICU to remain in their warm beds while being weighed.

\$2,400 each, 12 needed

Sleeper Recliners

To help keep the moms and dads of our pediatric patients rested and comfortable, Mercy appreciates your help in replacing dated recliners with new ones.

\$2,400 each, 17 needed

Therapy and Rehabilitation

Gertie Ball

This exercise ball is easy for patients of any age to catch, kick and throw.

\$50 provides 7 balls, an ongoing need

Elasto Gel Shoulder Pack

These ergonomically designed shoulder wraps deliver heat or cold to help improve range of motion.

\$88 each, 5 needed

Body Fat Analyzer

This weight-measuring device, provides patients and caregivers the data needed to mark progress and set goals.

\$100 each, 2 needed

Pivot Therapy Set

This specialized equipment provides an ideal platform for mobilization and extension exercises.

\$220 each, 1 needed

Stott Pilates Chair

This compact device helps patients regain core strength and balance.

\$1,400, 1 needed

Portable Swallowing Cart

This device assists in swallowing evaluations and helps patients re-learn various swallowing maneuvers.

\$4,400 each, 1 needed

Cancer Care

Access to Care

Your generosity helps reduce barriers for cancer patients undergoing chemotherapy or radiation therapy by supporting basic needs such as meal tickets, prescriptions and gas cards.

\$500 provides ongoing support

Health Rhythm Equipment

Music therapy manages stress, improves morale and builds community. Your gift helps purchase musical equipment such as drums, mallets and tambourines.

\$2,600 each, 2 needed

“Warriors in Pink” Drum Set

This drum set will help relieve stress and anxiety for Mercy’s breast cancer support group.

\$400 each, 2 needed

Alternative Therapies

- Mixed media art supplies, clay and ceramics offer cancer patients creative, alternative outlets for managing stress, anxiety, pain and nausea.
- Your gift to the Cancer Resource Center Library will help supply books, meditation materials and soothing music CDs for patients.
- Comprehensive resource guides provide helpful information, from diagnosis to survivorship, for a patient’s cancer journey.

\$1,000 provides ongoing support

Enhancing the Patient Experience

Bariatric Wheelchairs

These specially designed wheelchairs will ensure all patients are transported safely and comfortably.

\$299 each, an ongoing need

Sleep Recliners

To help keep the family members of our patients rested and comfortable, Mercy welcomes your help in replacing dated recliners.

\$2,400 each, 6 needed

Wall Displays

Adorning Mercy's walls with the words of scripture or special quotes from our founding Sisters brings comfort and encouragement to patients and their families.

\$2,500 each, an ongoing need

Dreaming Big

With medical costs on the rise, we continually look for ways to be smarter and more economical in health care delivery. Your gift of \$5,000 or more will help Mercy meet the challenges of health care with innovative solutions.

Tele-medicine Cart

Tele-medicine provides greater access to patient care for those who live in underserved areas. With telemedicine, Mercy specialists can evaluate patients remotely using advanced technologies.

\$40,000 each, an ongoing need

Interventional Radiology Suite

This suite combines clinical and imaging-based diagnostic technologies to provide patients with the least invasive and most advanced treatment options.

\$1,525,000, one time need

Mercy Hospital El Reno

Mercy Hospital El Reno is a 48-bed general medical and surgical hospital serving El Reno, Oklahoma and surrounding communities.

Granting one or more of these wishes helps support patients and enhances the delivery of quality care in El Reno. A gift of any amount will make a difference in the lives of patients and their families.

Pharmacy Gift Cards

Medication gift cards are offered to patients, who cannot afford to purchase needed prescriptions, when discharged from the hospital.

\$100 provides ongoing support

Chester Chest

An innovative teaching and training tool, the Chester Chest enables caregivers to perfect blood withdrawal, heparinization and fluid infusion skills.

\$850 each, 1 needed

High-back chair

These supportive chairs provide comfort to adults and children while receiving X-rays. Mercy appreciates your support in replacing dated patient chairs.

\$1,000, 5 needed

Broselow Pediatric Resuscitation System

Designed especially for children, this medical kit organizes pediatric equipment based on a child's age, allowing caregivers to work even more swiftly in emergencies.

\$1,950 each, 1 needed

Recumbent Elliptical

Used in rehabilitation therapy, the elliptical helps patients in their health recovery.

\$3,200 each, 1 needed

Upper Body Exerciser

Used in rehabilitation therapy, the exercise equipment helps patients in their health recovery.

\$5,280 each, 1 needed

Portable Ultrasound Machine

Needed in the emergency room, the portable ultrasound device provides accurate, efficient and cost-effective care. It can also shorten wait times for a patient in pain and enhance the quality and accuracy of a diagnosis.

\$62,864 each, 1 needed

Mercy Hospital Logan County

Mercy Hospital Logan County is a 25-bed general medical and surgical hospital offering breast cancer screening, physical rehabilitation, sports medicine, wound management and other services. The hospital serves Guthrie, Oklahoma and surrounding communities.

Granting one or more of these wishes helps support patients and enhances the delivery of quality care in Logan County. A gift of any amount will make a difference in the lives of patients and their families.

Access to Care

For many low-income individuals, the barriers to care can be overwhelming. Your gift helps ease financial burdens by providing access to transportation, meal cards, utility and rental assistance when needed.

\$100 provides ongoing support

Bariatric Wheelchairs

These specially designed wheelchairs will ensure all patients are transported safely and comfortably.

\$299 each, 3 needed

Facility Improvements

Replacing worn furniture, adding art to the walls and completing parking lot repairs make an impact on a patient's health care experience.

\$500 provides ongoing support

Electronic Scale with Handrails

Designed specifically for weighing unsteady patients, this highly accurate scale features sturdy handrails with padded grips.

\$540 each, 2 needed

Pulse Oximeter

An additional pulse oximeter, which measures oxygen levels, means even shorter wait times for Mercy clinic patients.

\$650 each, 1 needed

Three Section Hi-Lo Table

This table is used for manipulation, evaluation and treatment for physical therapy patients.

\$2,500 each, 1 needed

Patient Beds

Mercy appreciates your support in replacing dated patient beds.

\$6,000 each, 20 needed

Defibrillator

Defibrillators are used to deliver electronic energy to the heart during life-threatening cardiac events. Additional machines are needed throughout the hospital.

\$12,000 each, 7 needed

Mercy Hospital Healdton

Mercy Hospital Healdton is a 25-bed hospital serving rural Carter, Jefferson and Stephens Counties in southern Oklahoma. In addition to acute care and skilled care services, the hospital is equipped to provide inpatient and outpatient therapy, infusion services, emergency care and other treatments.

Granting one or more of these wishes will help support patients and enhance the delivery of quality care in southern Oklahoma. A gift of any amount will make a difference in the lives of patients and their families

Pharmacy Gift Cards

Medication gift cards are offered to patients, who cannot afford to purchase needed prescriptions, when discharged from the hospital.

\$100 provides ongoing support

Food Processor

This kitchen device helps nutrition services prepare food for patients who are unable to chew.

\$500 each, 1 needed

Exercise Bike

For outpatient therapy, the bike helps patients increase their strength and range of motion.

\$300 each, 1 needed

Patient Beds

Mercy appreciates your support in replacing dated patient beds.

\$6,000 each, 20 needed

Hydrotherapy Whirl Pool Bath Tub

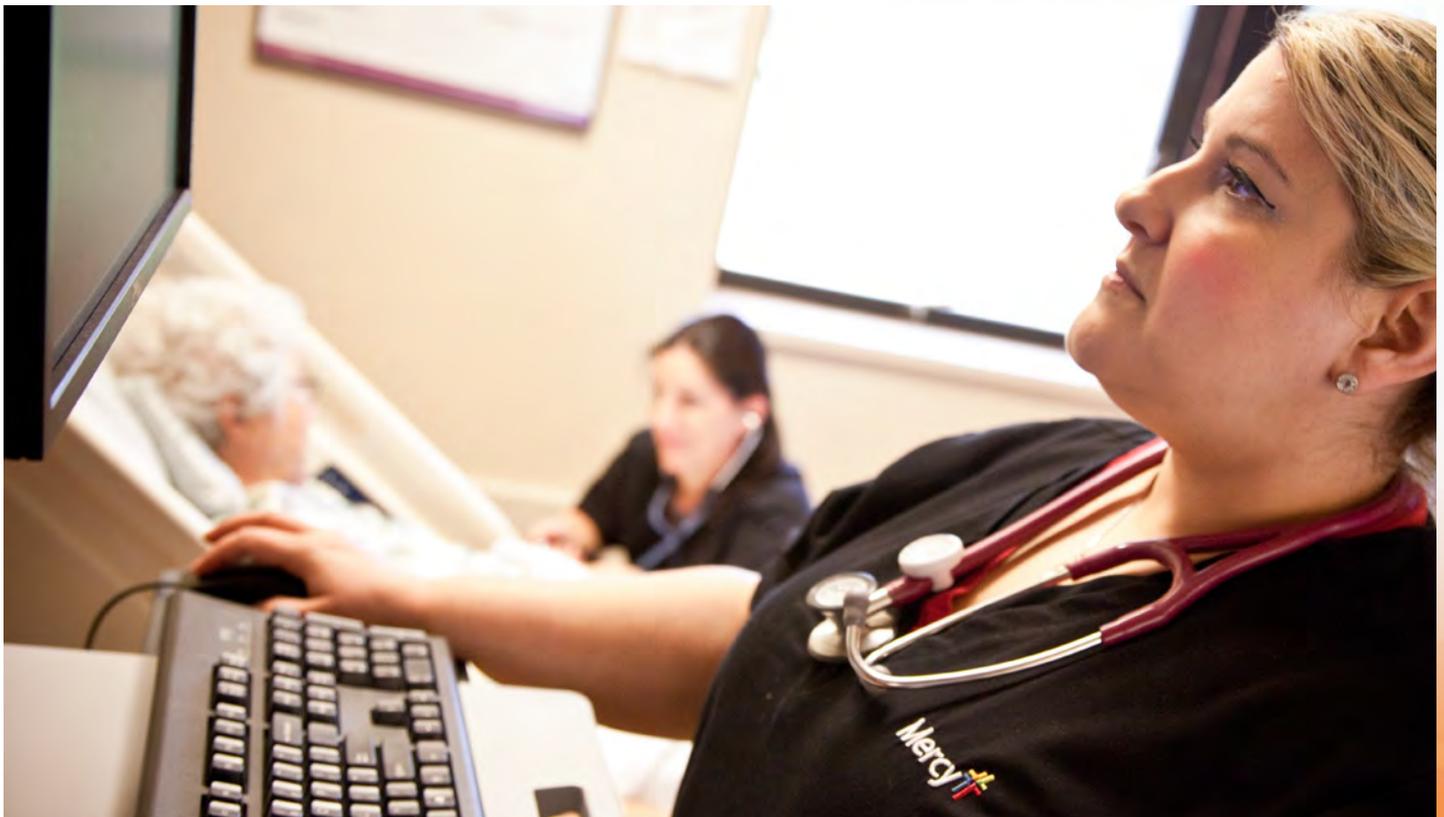

For inpatients, an updated tub would mean easier, safer access to bathing. clinic patients.

\$10,000 each, 1 needed

Portable Ultrasound Machine

Needed in the emergency room, the portable ultrasound device provides accurate, efficient and cost-effective care. It can also shorten wait times for a patient in pain and enhance the quality and accuracy of a diagnosis.

\$62,864 each, 1 needed

Mercy Hospital Tishomingo

Mercy Hospital Tishomingo is a 25-bed hospital serving Tishomingo and Johnston County in southern Oklahoma. In 2010, Mercy celebrated 50 years of service to Johnston County.

Granting one or more of these wishes helps support patients and enhances the delivery of quality care in Tishomingo. A gift of any amount will make a difference in the lives of patients and their families.

Pharmacy Gift Cards

Medication gift cards are offered to patients, who cannot afford to purchase needed prescriptions, when discharged from the hospital.

\$100 provides ongoing support

Facility Improvements

Replacing worn furniture and making necessary building repairs impact a patient's health care experience.

\$500 provides ongoing support

Parallel Walking Bars

Re-learning to walk can be a long, difficult process. Exercise bars help physical therapy patients safely regain their strength and mobility following an injury, surgery or illness.

\$450 each, 1 needed

Patient Beds

Mercy appreciates your support in replacing dated patient beds.

\$6,000 each, 20 needed

Portable Ultrasound Machine

Needed in the emergency room, the portable ultrasound device provides accurate, efficient and cost-effective care. It can also shorten wait times for a patient in pain and enhance the quality and accuracy of a diagnosis.

\$62,864 each, 1 needed

Mercy Hospital Watonga

Mercy Hospital Watonga is a 25-bed hospital committed to enhancing health care in western Oklahoma. It offers occupational and physical therapy, respiratory care, diagnostic radiology and many other essential health care services.

Granting one or more of these wishes helps support patients and enhances the delivery of quality care in Watonga. A gift of any amount will make a difference in the lives of patients and their families.

Dry-Erase Boards

Dry-erase boards will replace worn boards allowing physicians and families to better communicate with patients.

\$44 each, 18 needed

Temporal Scanner

Electronic thermometers assess a patient's body temperature without disturbing sleep or rest.

\$50 each, 3 needed

Pharmacy Gift Cards

Medication gift cards are offered to patients, who cannot afford to purchase needed prescriptions, when discharged from the hospital.

\$100 provides ongoing support

Radiolucent Papoose Boards

A papoose board safely and securely immobilizes pediatric patients during imaging procedures like X-rays or CT scans. This decreases the likelihood of repeating procedures because of movement and helps speed diagnosis for children in pain.

\$300 each, 2 needed

Blood Draw Chair

Mercy appreciates your support in replacing a dated chair with one that better accommodates patients of all ages and sizes.

\$1,500 each, 1 needed

Forced Air Warmer

This medical device provides a safe, quiet, effective way to quickly warm a patient's body temperature.

\$2,000 each, 1 needed

Blanket Warmer

Providing a warm blanket helps ease anxiety and keeps patients comfortable.

\$3,800 each, 1 needed

Portable X-Ray

For patients whose care might be compromised by transporting, a portable X-ray unit allows caregivers to assess the patient quickly and safely.

\$35,000 each, 1 needed

Mercy Hospital Kingfisher

Mercy Hospital Kingfisher is a 25-bed hospital serving Kingfisher County in western Oklahoma. It offers occupational and physical therapy, a sleep lab, diagnostic radiology and many other essential health care services.

Granting one or more of these wishes helps support patients and enhances the delivery of quality care in Kingfisher. A gift of any amount will make a difference in the lives of patients and their families.

Access to Care

For many low-income individuals, the barriers to care can be overwhelming. Your gift helps ease financial burdens by providing access to transportation, meal cards, utility and rental assistance when needed.

\$500 provides ongoing support

Recumbent Bike

The bike helps physical therapy patients increase strength and range of motion.

\$1,000 each, 1 needed

Electrical Stimulation Unit

For physical therapy patients, electrical stimulation helps with strength training and pain control.

\$3,000 each, 1 needed

Electronic Stepper

Used in rehabilitation therapy, this piece of exercise equipment assists patients in their health recovery.

\$3,500 each, 1 needed

Temporal Scanner

Electronic thermometers assess a patient's body temperature without disturbing sleep or rest.

Mercy Hospital Ardmore

Mercy Hospital Ardmore is a full-service 190-bed hospital serving Ardmore, Oklahoma and surrounding communities. Mercy Hospital Ardmore is southern Oklahoma's leader in providing cancer care and other health services.

Granting one or more of these wishes helps support patients and enhances the delivery of quality care in Ardmore. A gift of any amount will make a difference in the lives of patients and their families.

Charity Care

Access to Care

For many low-income individuals, the barriers to care can be overwhelming. Your gift helps ease financial burdens by providing access to transportation, meal cards, utility and rental assistance when needed.

\$100 provides ongoing support

Car Seats

Mercy prohibits an infant from leaving the hospital without a proper car seat. Your support provides a safe car seat to families who cannot afford one.

\$65 each, an ongoing need

Physical Therapy

Horseshoe Table

The table provides the ideal surface for improving fine motor skills and hand strength.

\$690 each, 1 needed

Car Transfer Simulator

This needed medical device helps patients prepare for the unique and routine task of getting into and out of a vehicle.

\$13,500 each, 1 needed

Enhancing the Patient Experience

Neonatal Thermometer

For Mercy's tiniest patients, these special thermometers assess a baby's body temperature more accurately.

\$297 each, 3 needed

Manual Staining Station

The staining station, used in the lab, stains slides of human tissue and enhances the accuracy of tissue examination.

\$899 each, 1 needed

iPad

The iPad is used with children for various therapy exercises.

\$400, 2 needed

Datascope

The portable, electronic vital sign monitor quickly and accurately relays important patient information to caregivers.

\$2,500 each, 1 needed

Bili Light

This medical device uses phototherapy to treat jaundice in newborns.

\$5,000, 1 needed

Transport Stretcher

Mercy welcomes your support in equipping the emergency department with additional mobile stretchers.

\$5,500 each, 5 needed

Platelet Incubator

This specialized incubator stores platelets, a precious donated blood product, at a carefully monitored temperature.

\$15,000 each, 1 needed

Mercy Health Foundation

Your support helps Mercy build quality health facilities, acquire advanced technology, bolster medical education, and provide social services and charity to those in need.

Today's challenging health care environment places an increased emphasis on the importance of philanthropy. We need supporters like you now more than ever. Your gift through our Wish Book program will enable Mercy to continue to provide innovative care as well as enhanced health care services and programs. If you prefer, you can make a general donation and designate your gift to support Mercy's work in any of the communities we serve.

Together, we are setting the standard for high-quality health care, and ensuring every patient receives the compassionate care he or she deserves.

Thank you for supporting Mercy's work in your community.
