

Concerned about COVID?

Choose the right care.

FOR MILD OR MODERATE SYMPTOMS:

Contact your care team
(open M-F) or visit the closest
urgent care (open all week).

- Fever
- Cough
- Tiredness
- Loss of taste or smell
- Sore throat
- Headache

In-person and video visits available.

Call to check availability or schedule your visit online at mercy.net/COVIDCare

FOR SEVERE SYMPTOMS:

Go to the closest ER
(open 24/7/365).

- Shortness of breath/difficulty breathing
- Chest pain
- Loss of speech or mobility
- Confusion
- High fever

Please don't visit the ER for COVID testing if you have mild symptoms or only need a test for work, school or travel.

Due to a limited supply, COVID-19 tests will only be given to those with certain medical needs and symptoms at this time. Thank you for your patience and understanding.
