Advances in Obstetrics and Gynecology
Thursday, April 3, 2014
and Friday, April 4, 2014

St. Louis Marriott West
660 Maryville Centre | St. Louis, Missouri 63141

Presented by:
Mercy Hospital St. Louis
Department of Obstetrics and Gynecology
Target Audience
Physicians and nurses involved in the care of obstetric and gynecologic patients will find this program of educational value.

Location
The conference will take place at the St. Louis Marriott West located at 660 Maryville Centre Drive, St. Louis, MO.

Program Description
The 46th ANNUAL MATT WEIS SYMPOSIUM will explore the many recent advances in obstetrics and gynecology. Each member of the program faculty is an expert in the field of obstetrics and gynecology. Participants will have the opportunity for discussion with the visiting faculty during luncheons and coffee breaks. Educational opportunities will occur in the lecture hall and at the scientific exhibits.

Learning Objectives
Upon completion of the program, attendees should be better able to:
- Describe non-surgical and minimally invasive surgical approaches to vaginal agenesis.
- Discuss OB/GYN research findings at Mercy Hospital St. Louis.
- Evaluate the advantages and disadvantages of novel assessment tools used for patients with a pelvic mass.
- Discuss outcome comparisons between the laparoscopic and the da Vinci hysterectomy methods.
- Discuss current management strategies for patients with obstructive Mullerian anomalies.
- Assess the clinical implications of a Breast Cancer mutation.

Disclosure Policy
All faculty members participating in this program are expected to disclose any real or apparent conflicts of interest related to the content of their presentations. Support of this conference by benefactors does not imply endorsement of its products by the American Nurses Credentialing Center, the Missouri Nurses Association, or the sponsor of this educational activity.

Accreditation
Mercy Hospital St. Louis is accredited by the Missouri State Medical Association to provide continuing medical education for physicians. Mercy Hospital St. Louis designates this live activity for a maximum of 10.25 AMA PRA Category 1 Credits™ (Thursday 6.25 and Friday 4.0). Physicians should only claim credit commensurate with the extent of their participation in the activity.

Disclosures and Conflict of Interest Policies
All faculty members participating in this program are expected to disclose any real or apparent conflicts of interest related to the content of their presentations. Support of this conference by benefactors does not imply endorsement of its products by the American Nurses Credentialing Center, the Missouri Nurses Association, or the sponsor of this educational activity.
