The registration deadline is April 2, 2015.

- Better understand the variables
- Describe the proper technique of renal imaging
- Describe normal and abnormal Doppler techniques
- Demonstrate proper technique in the Thursday Morning Workshops

Workshop Objectives:
- Promote education
- Encourage networking and collaboration
- Provide a unique educational venue

Hotel Reservations
- The Hotel Reservations office will close March 8, 2015 to assure your availability. All general sessions are double occupancy. You may make a reservation by calling 1-800-228-9000 and enter this symposium in your key code field. The ‘St. Louis Vascular Symposium’ will be displayed as the code.

Additional Information
- Please call Ocean City, 305-364-4245, for information on this or any other travel tips.
- Detailed program information will be available on the ST. LOUIS VASCULAR SYMPOSIUM website www.TheStLouisMeeting.com.

LEARNING OBJECTIVES
- Upon completion of this symposium, attendees should be able to:
  - Define the impact of cardiac function on vascular disease
  - Describe the appropriate vascular imaging, fill the gap in vascular imaging, and test for vascular disease
  - Describe ultrasonic findings in patients with arterial disease
  - Diagnose and manage Neurogenic Nerve Syndromes
  - Describe the ultrasonic findings in patients with arterial disease

Now and Evolving Concept Session
- The symposium will address the latest concepts and new research in vascular ultrasound.
- The symposium will also discuss emerging concepts in vascular imaging, including the use of novel vascular imaging technologies.
- The symposium will also include a session on the latest developments in vascular imaging technology and research.

St. Louis Vascular Symposium
- The 19th Annual Symposium
- Sponsored by Mercy Hospital St. Louis

Presented by:
- Mercy Heart and Vascular Hospital,
- Non-Invasive Vascular Laboratory & Division of Vascular Surgery

April 8 - 11, 2015
At the Sheraton Clayton Plaza Hotel
www.TheStLouisMeeting.com
St. Louis Vascular Symposium
The 19th Edition

Wednesday, April 8, 2015

8:00 a.m. Continental Breakfast

9:00 a.m. Welcome and Introduction

9:15 a.m. Panel Discussion

10:15 a.m. Optimizing Vascular Lab Reporting

10:39 a.m. Chronic Venous Disease Testing:

11:00 a.m. So You Want to Own/Operate

11:27 a.m. A Sonographer’s Guide

1:30 p.m. Duplex Imaging of Product Vessel:

1:50 p.m. Venous Valves: How Do They Really Work

2:06 p.m. Aortic Dissection:

5:25 p.m. Adjourn

Thursday, April 9, 2015

8:00 a.m. Welcome and Introduction

8:53 a.m. CREST 2 in the context of Modern

9:20 a.m. Exhibit Viewing and Break

8:54 a.m. Hemodynamics of Subclavian Steal Syndrome

10:15 a.m. Impact of Cardiac Function

10:39 a.m. Does Carotid Plaque Characterization Matter?

11:00 a.m. Exhibition Concepts

11:20 a.m. Is Point of Care Ultrasound a Threat or

1:30 p.m. Duplex Imaging of Residual Venous

2:06 p.m. Aortic Dissection:

5:25 p.m. Adjourn

Friday, April 10, 2015

8:30 a.m. Is Point of Care Ultrasound a Threat or

9:00 a.m. Welcome and Introduction

9:30 a.m. Workshop Registration

10:45 a.m. Lunch Presentation:

1:30 p.m. Duplex Imaging of Residual Venous

2:00 p.m. Aortic Dissection:

5:25 p.m. Adjourn

Saturday, April 11, 2015

8:00 a.m. Welcome and Registration

9:00 a.m. Welcome and Introduction

9:30 a.m. Educational Concepts

10:45 a.m. Lunch Presentation:

12:00 p.m. Luncheon and Interim Conference

1:30 p.m. Duplex Imaging of Residual Venous

2:00 p.m. Aortic Dissection:

5:25 p.m. Adjourn

10:15 a.m. Panel Discussion

10:39 a.m. Duplex Imaging of Residual Venous

11:00 a.m. So You Want to Own/Operate

11:20 a.m. Is Point of Care Ultrasound a Threat or

1:30 p.m. Duplex Imaging of Residual Venous

2:00 p.m. Aortic Dissection:

5:25 p.m. Adjourn

10:15 a.m. Panel Discussion

10:39 a.m. Duplex Imaging of Residual Venous

11:00 a.m. So You Want to Own/Operate

11:27 a.m. A Sonographer’s Guide

1:30 p.m. Duplex Imaging of Residual Venous

2:00 p.m. Aortic Dissection:

5:25 p.m. Adjourn

Please note we are transitioning to an online registration.

To register for the conference:

1. Visit our website.
   (See our website for your specific conference)

2. Log in to your account or create a new one.

3. Select the CME Courses or Programs.

4. Select the appropriate conference.

5. Complete the registration form.

6. Check out the conference.

Please advise us of your plans to attend the following optional sessions:
